

Faith In Motion needs the support and involvement of your faith community as we work together for a comprehensive transit system in our community providing freedom of movement for all.

FAITH IN MOTION'S MISSION STATEMENT & VISION

With a prophetic voice, the religious communities of metropolitan Grand Rapids call for a comprehensive public transportation system to be built in our community. We believe that a usable and viable transit system is a means to:

- support the dignity and freedom of all individuals,
- create an open, hospitable and welcoming community,
- respect the environment
- open economic opportunity to all and
- move people where they need to be.

GOALS

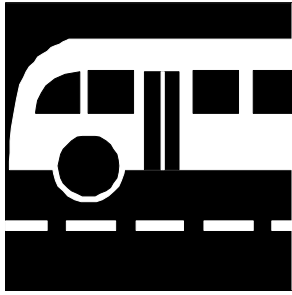

*To raise the awareness of religious leaders and congregations of the current limits of our transit system as they relate to the real needs of the community.

*To work within our role as religious leaders and communities for the creation of a world-class public transit system that would be a viable option for all citizens.

What does being a member of *Faith In Motion* mean?

Simply that you support the mission and vision. As a member, there is no obligation to take part in any *Faith in Motion* activities or contribute financially. We will keep you informed about opportunities to take part in coalition activities should you wish to and encourage your involvement. Any financial donations are appreciated.

We believe that the more religious communities and persons of faith that are members and support increasing transit service, the stronger voice we will have in the community on this issue.

FAITH IN MOTION

If you and/or your faith community wish to join as a member of FAITH IN MOTION, please fill out this form and return it to the address listed below.

- I/We support FAITH IN MOTION's mission statement and wish to be a member.
